Dear Family, my heart goes out to you at this sad time. I remember as a little girl how wonderful it was to be around the grown up kids, and Janet always made me feel so included and happy. And through the years, I admired her loving nature to everyone in our family circle. My heart breaks to know that she has passed on, and I can only imagine how sorrowful you all are. But, being bound through eternity through the bands of marriage, and blessed by a loving Lord, gives one hope that we shall all be together again in a better place. Know that my prayers are with you today - and always. Love, Karen
