“ Keeping you in my warmest thoughts as you navigate this difficult time — and wishing you hope and healing when you’re ready. I was so overwhelmed to hear of the passing of Jeff. I just rode the elevator and saw Jeff a few weeks ago at work, it’s a fresh memory of a PRT colleague. He was always helpful to me when I needed any assistance with all things IT related. Praying for the family that you have moments of peace and comfort, and you rest in your eternal love for each other and Jeff.

“Your life was heavy, and you carried it with strength for so long. We’re grateful you’re finally at peace — the love you shared will always stay with us.”

Our hearts and prayers are with his sons and family — Jeff and Jordan, Carol Lemon, Jimmy, and Kenny Zito — during this heartbreaking loss of your father and brother. May you find comfort in the love that surrounds you.

With love from your cousins,

“ Jeff Zito was a valued colleague and dear friend. As a member of the Pittsburgh Regional Transit AIS Infrastructure Technology group, Jeff played an essential role in servicing, maintaining, and upgrading our computer systems while supporting the innovative needs of our staff.

As Jeff's manager, I could always count on his calm demeanor, professionalism, and readiness to respond to the many challenges we faced each day. His dedication, kindness, and steady presence left a lasting impact on our team and organization.

Jeff's spirit and contributions will be deeply missed, but his memory will continue to inspire all who had the privilege of working with him.

Prayers and Comfort to all who loved him.
