

Jennifer Nicole Shepherd

June 3, 1976 - June 20, 2026

Jennifer Shepherd, age 50, of Pittsburgh, passed away suddenly on June 20, 2026. Born June 3, 1976, in Butler, Pennsylvania, she was the daughter of Debra (Gregor) Schurko and the late Nelson (Margie) Kloker.

Jennifer, known lovingly as Jen, lived a life marked by devotion, kindness, and unwavering love for her family and all who were fortunate enough to know her.

Jen was the beloved wife of Jeremy Shepherd for 15 years. She was a devoted mother to Brittany Lossing and her husband Peter, Camden Shepherd, and Avery Shepherd, and she cherished every moment spent with her children. She was also a caring grandmother to Clover Lossing, a role that brought her great joy and pride. Jen was a loving sister to Shawn Fisher and his wife Loretta, and she held her family close to her heart throughout her life.

For 28 years, Jen dedicated herself to her career with PNC Bank Corporate, where she served as a Vice President in Business Lending Product Management. She was respected for her professionalism, her work ethic, and her steady leadership. Outside of her career, Jen found joy in the simple and meaningful things in life. She truly loved reading and treasured the feel and smell of the pages of a good book. Books offered her comfort, escape, and inspiration. She was always taking care of everyone around her, often putting the needs of others before her own. Her family meant the world to her, and she gave them her love freely and completely. Jen will be remembered for her

strength, her passion, and the deep love she carried for her family. Though she is no longer physically present, her spirit remains with those who loved her and she found a new home with her Pa's.

A Celebration of Life will be held on August 2, 2026, from 2 to 4 p.m. at the North Park Harmar Pavilion, S Ridge Drive, Allison Park, Pennsylvania 15101. In lieu of flowers, memorial contributions are suggested to the go fund me <https://www.gofundme.com/f/support-for-my-family-during-cancer-crisis-ghkze>
