“ *I wish there was a magic wand to start a
spring like rain;
and wash away your pain.*

*I wish there was a magic wand to give you
one more tomorrow;
and stop the grief and sorrow.*

*I wish there was a magic wand to let you hold my hand;
and help you understand.*

*So when you look up at the sky tonite;
There will be a special star that's always bright.*

*Just because I am not there;
Please never feel that I don't care.*

*I am now a Guardian Angel up above;
Watching over you all and sending my LOVE*

God Bless
