“ Oh, my beautiful brother and first best friend, I miss you so. I am in great pain but thank God that you are in a most perfect place now. You are with Him and mommy and daddy.

Your passing is the greatest loss I've ever had to endure so far in this life, but, in so many ways, it is the greatest enlightenment I've ever experienced.

I know you are an angel now. I feel your spirit all around me. I promise to use that energy to continue spreading your love and joy.

Thank you for so many awesome memories. You and your name are legendary in my world! I'm very proud to be your sister.

I love you and in your honor will try to always do my best to make you proud and carry on your good name and positive spirit.

Until I see you again, rest in peace, hutch. And happy camping. I'll drive for now. ❤️
