“ *My sincere condolences to all the family of my dear friend John. He was a kind and loving person. I meet John at the industrial park near the house in 2017. I had three dogs to run and he had Luke then a pup. I had just moved in from western N.Y. and John was my first friend. I had then recently lost my youngest son age 30 by suicide. How he would comfort me with his wisdom and humor. From our first meeting and years after we would run the dogs and enjoy each other's company and the dogs playing. I lost another son in May of this year suddenly and was out of state. I just returned and stopped by his house which was empty. I just found out now of his passing. My heart is broken. He was a beautiful soul. I will forever be grateful to him for his friendship, compassion, and kindness. I will truly miss him. Forever his friend.*
