“ *Jack was a gentle soul. He was always so kind to me. He always made it a point to come see us when we were in town. I know he will sorely be missed by his Family & Friends.*

*When I think of Jack Hannon, I think of loyalty. No matter what happens in this crazy life, there was always one thing that I was sure of - if I needed help, Jack would be there for me. When I think of Jack Hannon, I think of kindness. Jack did for everyone else with a smile and expected nothing in return. When I think of Jack Hannon, I think of Christian values. Jack's special gift was his service to others and putting everyone before himself. Jack may be gone in body but he will forever live in our hearts gently reminding us to live as he lived ... with love in our hearts shining our light on every life that we touch. I love you Jack and I will miss you, my friend. Until we meet again. Love, Dianne Humensky*
