“ John was a good man who helped me get my start in the vending business 30+ years ago. We talked often on the phone since I now live in Florida. He will be missed by both Lucinda and I. Condolences to all the family, especially Mel. RIP my friend.

“ John and Carolyn, we're both wonderful people and I considered them dear friends. I groomed their dogs for many years. I believe John died of a broken heart, he told me more than once the Carolyn was the love of his life.
