“ *Hello, my name is Beverly Mabb-Morten and I am doing research on my Thalimer side of the family. Today, I came across the obituary for John and I wanted to send my condolences to you.*

We are genealogically related on the Thalimer side of the family. My great-grandfather, Alverson Gates Thalimer was the brother of John Knapp Thalimer. If you are interested in sharing genealogy and family history please feel free to contact me at bmabbmo@gmail.com. I am the family historian for my mother and father's side of the family.

Again, sorry for the loss of your loved one, I wished we could have connected with the family prior to his death. I hope that we can connect and talk "Thalimer's". Best regards, Beverly Mabb-Morten (California)
