“ *Arlene & family...*

I'm so sorry to learn of John's passing. If it weren't for our USW Int'l Employee Retiree Reunions, I would have never met John or you. I will always remember his smile. John's dedication to the USW and the labor movement leaves behind many achievements.

I hope you will find much comfort in your memories during these difficult days.

Rest in peace my brother.

*Always,
Cindy Carlson*

“ *Condolences to John’s entire family. I got to know John when he served as the assistant to the director for USW District 10. Even though we lived in different parts of the country, we always found time to connect at the USW events we were at. John was always kind and a wonderful human being. May his soul rest in peace.
