“ *I remember Judy from our high school days and she was always a dynamic person--she could really swing around the corners of the high school and you had to be careful when she was coming down the halls. What a day when she finally got a horn on her wheelchair! Keeping her and the family in my thoughts and prayers. May God bless you and grant you much peace for she was quite the warrior for the disabled!*

“ *I was a high school classmate of Judy's at the former Mt. Alvernia High School, and have many fond memories of her. Judy was such a confident person who never let her disability inhibit her, and I don't think I ever saw her without a big smile or a hearty laugh. May God grant her peace and joy in His Heavenly Kingdom!*
