“ Please except our deepest sympathies in the loss of your daughter, wife, mother, sister and friend. Karen had a huge heart and would do anything for anyone. She always thought of us, sending us all her home made cookies, new year pretzels and that awesome honey mustard. She always thought of us Graziano's. She will be deeply missed. We pray that all the awesome memories you have of Karen will help you through this very sad time and for the many years to come. RIP Karen.. Love Moe and the Graziano family.

“ *There is nothing that will ever make this any easier mom. You were my rock, and my one true constant. Throughout all the moves, the changing of schools, you were always there for me. You were what I could count on. You taught me to be strong, but you never could prepare me for the heart ache that would be losing you. You made me the man I am today, and I'll do my best to make you proud of me. Keep Zoe company up there, God knows I'm sure she's needing the attention. Got some pretty big shoes to fill when it comes to baking, but I'll do my best mumma, that's all you ever asked of me. I love you, so very very much and I'll never stop missing you.*
