“ *I went to college with Kathy and was her roommate and friend for so many years. Can't believe I won't get the "out of the blue" phone call from Kathy soon. Did not know she was ill since she didn't mention it last time we spoke several months ago. Kathy was into genealogy too and insisted we were cousins through the Fetterman line. My great grandmother married a Fetterman and lived in PA. I hope Shawn and family are doing well as they can. If ever you need to get in touch:*

Betsy Turner Hartman, betsyhart@hotmail.com- just put Kathy in the title.

Again, such memories, rest Kathy with Bruce.
