“ *Ecclesiastes 12. Then shall the dust return to the earth as it was: and the spirit shall return unto God who gave it.*

We know the road had grown long and rough; the last milestones on your journey arduous and difficult, the final miles painful and tiring. Now that you are further down the road and out of sight, we expect to find you waiting there for us with those who have also passed along the way before. Until then, we will think of you now and again as you were in life, at some moment that is pleasant to recall. On some occasional times that remind us of you, we will stand for a few moments to reflect and remember only your best. Until we meet again.
