

Lois Jean Predmore

July 7, 1942 - February 27, 2020

Lois Jean Predmore (July 1942 - February 2020) loved Blawnox. She spent her entire life living within its half square mile radius. She was a familiar face around the community; serving as a member of the Blawnox Recreation Authority, (ensuring the concession stand always had the right treats for the Baseball and Softball Association), and serving as a Girl Scout troop leader for several years.

Lois also had a zest for life and travel. Her favorite place was Ocean City, MD; where fun family days were capped off with laughter, Italian food, and Fisher's caramel popcorn on the boardwalk.

Lois enjoyed experiencing the adventures of others. She was a constant presence at her children's and grandchildren's activities. In her downtime, Lois could be found reading a stack of books (and the Cooper-Siegel Community Library already had the next stack set aside). Lois loved to be part of a good story whether she was reading it, listening to it, or telling it herself. One story she loved to tell was how she "fell" in love with her husband Paul (of 57 years), slipping on ice during their first date.

Those who continue her story include her husband Paul; children: Debi, Paul (wife Jeanne), Jen (husband Craig); grandchildren: Lindsay, Brittany, Paige, Brandon; brother Ron Vulgris (wife Cookie); and other cherished family and

friends.

Memorial contributions may be made to the Cooper-Siegel Community Library, Bridges Hospice, or Presbyterian SeniorCare.
