“ My husband and I have known Marge while living in Johnstown for many years living in the same neighborhood and helping her maintain her home and lawn. Since she had moved to Pittsburgh we thought of her often and kept in contact for some time. We lost connection after a few years and was not able to reach her or her family to see how she was doing. Today we were saddened to see she had past. She will be missed by many as she was a wonderful neighbor and friend.
