“ I can't believe we are getting ready to come up on it being 2 months that you are no longer with us. It hurts to rap my head around I will never see or hear your voice again. I miss you dearly grandma. I miss the conversations we would have and just hearing your voice. I sit back and think of all the good times we had but I desperately have a piece of missing now with you gone. I know your in heaven with grandpa and finally not suffering anymore.. I LOVE YOU & SO DO YOUR GREAT GRANDKIDS. Sleep peacefully grandma until we meet again.

*Love your granddaughter, Shakira & kids*
