“ *Years ago, we were sitting at a soccer game watching Tommy and Alex! I was telling her we needed substitutes in the kitchen for the school district. The girl I worked with was going to be out for a while. Marsha, being the sweet, kind, wonderful person she always was, said that she would come volunteer and work with me.*

*😊 I told Marsha she was getting paid to do it, because when she saw the minimal paycheck, it would look like volunteer work anyway!! What started out as helping out a friend became a job for her! Everyone, children and adults alike, loved what a caring, special person she was! What a heart of gold! I will always remember the wonderful person she was! Rest in peace, Marsha!

“ *Marsha, the women with a heart of gold!! The best at being a wife a mother a grandmother & great grandmother. A true friend to all. She was the strongest women I know. She fought that cancer for so many years with courage & grace. My heart goes out to you Frank. And to Lisa & all the kids. I know you will all miss her terribly. May all of you find peace knowing she is free from pain & suffering. And rest with all your good memories of her. My favorite memory is from way back when I was a young girl. Kimmy & I loved to go to grams & sit on the bed and watch her fix her hair & makeup when she had a date. She would play her records & all 3 of us would dance around the bedroom. Wake Up Little Susie was our favorite song! She taught me how to dance & apply makeup (Merle Norman) of course & style my hair. The day after she went to be with the lord I downloaded Wake Up Little Susie to my iPad. I sang & danced around my house just remembering all our good times. I know she's in heaven doing the same thing!! My deepest sympathy to all of you.*
