“ *Zig,*

I knew that I missed your call this year....because Lynn made it for you. I'm sorry that you got sick and I didn't get to see you before you left. I know that we would have laughed about all of the stupid things that we did. I loved you like a brother and you were there for me during the darkest times in my life. You were the only person that I ever had a "secret code" with, and to that end, you will always be "Boston 1A" to me....You were the original Red Baron.

Thank You for being my friend, my taxi, my enabler and the coolest adviser that I could have had way back when. You were the King of Montrose Hill

Pop a cold one for me and practice up those awesome magic tricks...save me a seat and I'll see you when I get there.

Lynn and Marty....I'm so sorry that you lost this guy....Love to you

"Danny"
