“ *Eileen was a bright spot in everyone's day. Her sense of Humor was infectious. I have so many great memories over the years..she was a very special person, who you knew would pick you up when you felt bad. Her strength and stamina was amazing. Now she is sitting with Jesus and our other dearly missed family making them all laugh...love you Eileen, keep the bench warm for the rest of us...*

Aunt Eileen was so easy to laugh with and made any problem seem small with her chuckle. She loved to have kids around all the time. Her beautiful blue eyes would radiate the love and fun she was feeling inside. Her presence will be missed here on earth but she'll be forever in my heart and mind...
