“ I use to be one of granny’s care aides when her and family lived in Dayton. She was such an amazing woman.I remember sitting in kitchen watching “Prices Right” and we would BS. We defiantly had some good times and a bunch of laughs. I know when I use to work for the agency they always told us don’t get close but it didn’t take much for her and the family and I to become close friends. But unfortunately we lost touch after she and family moved. I still thought of her though. I wanna send my deepest condolences to her loved ones and want to let u kno she defiantly had a impact in my life.

“ Such a beautiful woman with a bright smile, warm, loving & giving. She had a hearty laugh, so very jovial, from the very first time I met her she made me feel welcome, a part of her family. I will never forget our personal conversations. She will forever be in my heart. I’ve learned that a person is never truly gone as long as their name stay on their loved ones lips. This keeps their memory alive 🙏
