“ Rest in peace Matt, you were an amazing friend and class mate being an apprentice in a trade you meet allot of people. Some of those stick with you for the long haul. Such an outgoing personality, easy to talk to. Willing to help anyone with anything you could. I'll never forget the laughs we shared and the fun we had learning valuable lessons in our Local. My prayers and heart goes out to every family member, friend and everyone who've you made an impact with.

“ Condolences to Matthew's family. Matthew was my apprentice as an instructor and coordinator with his union. He was a true meaning of brother. He was always willing to help those apprentices that struggled during class. He was a hard worker and had great character. I was proud to know Matthew. The world shines a little dimmer today with his passing. He will be missed by many and mourned by all that knew him.
