“ *Lisa, Michael & Family,*

I remember going to Wheeling Downs and seeing Uncle Mike watching the dogs run !

Your Dad was always so open minded and was always excited to try new things , he was so happy describing his helicopter ride over the Grand Canyon... he always had a twinkle in his eyes when he talked about his grandkids, he was so proud of them. I'm sure his sisters were there to greet their little brother, even though he was the youngest he was treated like a King. Noni wouldn't have it any other way !! Rest In Peace Uncle Mikey, you will be missed.

Love Debbie

“ Remembering a pretty cool Uncle who would take us to Isley’s in Oakland for ice cream with the convertible top down. I’ll always remember you coming for Mom’s homemade cooking. How she enjoyed feeding you! You are now at peace Uncle Mike. I want to believe that all your sisters along with Noni and Pubba were there to greet you. As Danielle said when she heard of your passing, “the last of the DeLucia’s are gone. They were the nicest family I ever met.” Rest In Peace Uncle Mike ❤️
