“ *I told the story at the prayer service about Mike coming to me in 7th grade and telling me that I needed a campaign manager when I was running for president of the 8th grade class the next year. He rounded up the Ducktown Gang and had them making posters and "Jeff for President" pins and had the whole class talking about me. He used all my nicknames on the signs...Moses, Bubbles..Jonesy. Then he was so mad and disappointed when it was announced that I had lost in what seemed like a landslide victory by me against my opponent after the speech given at the assembly. Oh Well.. Mike you were a good friend and good husband and father.... You will be missed...Until we see each other again...Rest In Peace my friend! God Bless you and your family Missy1*
