

Michael J. McCafferty

June 19, 1949 - September 6, 2022

Michael (Mike) McCafferty passed peacefully on September 6th, in the presence of his beloved family and caregivers. He was 73.

Michael was born in June of 1949 at Magee-Women's Hospital to John and Martha McCafferty and lived his entire life rooted in the service of others in Aspinwall and its surrounding neighborhoods. He was a firefighter, EMT, paramedic, and emergency manager, to name a few. Michael's greatest joy was serving as Aspinwall VFD's Emergency Management Coordinator for 29 years. No matter the role and situation, the care and safety of others was what motivated Michael day in and day out until his retirement in 2015.

Michael will be greatly missed by his sister Mary (McCafferty) Holsomback of Indiana, Pennsylvania; best friend and cousin David Robertson of Ventura County, California; and too many beloved nieces and nephews to name here. Arrangements are pending.

As a family, we want to take a moment to share our deepest gratitude for the love and care Michael was blessed to receive at HamarVillage Care Center. Thank you so much.

Rest peacefully Michael, say hello to the family for us, and may light perpetual shine upon you.
