“ *Dear Deb and Sharon,  
Buck and I were good friends of Milt and we all had many good times with you two when you were young. Over the passing of time we saw less and less of Milt but we have always loved him and considered him as a great friend. We will miss him dearly. May he rest in peace now.

*Thank you, when times were better, he spoke of the fun gatherings and yearly picnics he attended. He enjoyed them eminsely. It's very rare you remain such close friends with coworkers. He was a very lucky man to have enjoyed such a special friendship with the 2 of you. When i think of my dad, my heart is at peace that he knew love of good friends, lifetime friendships, and sharing life experiences. Thank you for bringing that to his life. ♡♡♡sharon*
