“ It was back in the late 70's/early 80's when my sister told me about a great hairdresser she started going to. That was when I met Mischele. And she became so much more than just a stylist to us. She was there for us through thick and thin and her friendship was one we treasured! To Meghan and Laney, our hearts break for you on the loss of such a remarkable mom! To Gloria and Butch, Sean and Jason, our deepest sympathy on the loss of such a wonderful daughter and sister. My heart are too broken to say goodbye, so I'll just say until we meet again, much love to you, dear friend!

“ My deepest sympathies to the entire family, especially Meghan and Laney.

I worked with Michelle when we were very, very young at command performance. There was a group of us that all got married around the same time and all had children around the same time. So many wonderful memories of taking our little ones to the horns Christmas display and to see Santa and our little Christmas parties.

I was able to reconnect with Michelle a little bit during the past few years. This is very, very sad news such a loss to everyone that knew her 😞

“ My friendship with Mischele began when I was seeking out a hair stylist, and that meeting morphed into a 30-year long friendship. Mischele was my best friend and confidant and to say that she will be missed is an understatement. Rest in peace my dear, dear friend, you will never be forgotten.

“ Mischele and I kept in touch through Facebook though we hadn't seen one another since school. We were classmates since first grade. My favorite memories include her trying to teach me to ride a horse and little slumber parties at her home. Life was innocent and fun for little girls. Rest in peace sweet friend

It's so sad to learn of the passing of childhood friends. But those were some sweet days in Indianola
