“ She was like a second Momma to me. Melanie and I grew up across the street from each other on Orchard Ave. She loved to laugh but I do remember her being stern too and look out then...She made me the most delicious birthday cake one year. It was chocolate with boiled icing.. tinted mint green and she had placed flowers on top of the cake .. Yellow dahlias... Spent many hours over at her house. She will never be more than a thought away. You brought lots of joy to peoples lives always with a smile.

“ My condolences to the entire family. She was one lovely and sweet person who will be very much missed. My daughter Jen Vacca was so very close to her, broke her heart that she could not see her one more time. Having a very hard time with child birth made it impossible to be there. I know that the two of them had a very deep bond with each other.
