“ *Farewell to my dear friend Ned. Thank you for all the marvelous times we had together. You were a kind, generous and loving friend, and I greatly appreciated and loved you.*

*We had joy; we had fun; we had seasons in the sun
But the wine and the song, like the seasons, have all gone
We had joy; we had fun; we had seasons in the sun
But the wine and the song, like the seasons, have all gone.*
