

## Patricia A. Fetzter

January 13, 1961 - June 12, 2024

Patricia Fetzter of Tarentum died unexpectedly on June 12, 2024, from heart complications. She was born in Maryland, moved to Fox Chapel as a child, lived in Arizona, in Florida, and then returned to Pittsburgh to be closer to family jobs in her life including bartending, detailing yachts, driving a limousine, driving a bus for the port authority and most recently driving a dump truck. With all her driving experience she knew the streets of Western PA better than anyone else.

Patty was creative, artistic and had an eye for decorating. She enjoyed attending live concerts, celebrating Halloween with her friends, traveling, riding her motorcycle and camping. Patty loved all animals but especially her Chihuahua, Oscar.

She was a loving sister and an aunt who was always buying gifts for her nieces and nephews. Late in her life she spent a great deal of time caring for her father who passed away two years ago. Patty led a very full life and was surrounded by many friends and family who will miss her deeply.

She was preceded in death by her mother Helen Fetzter, her sister Nancy Speer and her father Herb Fetzter.

She is survived by her sister Christy (Mike) MacFarlane, her niece Brie Anna (Dave) Boers and her nephews Vince (Angela) Cobb, Jeff (Erin) Cobb and Scott (Kara) Speer, and several great nieces and nephews.

In lieu of flowers her family requests donations be made in her name to the World Wildlife Federation or to a local animal no kill shelter.

“ Every breath you take came on and my thoughts drifted you to .... from when we started our friendship at six years of age learning to swim....to many sleepovers....to our junior high and high school crushes....to being the maiden of honor at my wedding....to your move from Florida back home....Oscar.....caring for our parents and sharing those experiences....your sisters, your dad and your mom. I got the news last week and I am still attempting to process it all We have walked together for a lifetime. Until we see each other again, my friend.
