“ Mum, it isn't easy! You were suppose to come live with me but your car was sold from out underneath you & I wasn't able to bring you home with me. Your daughter told me it was going to be \$11,000 to fly you home when you passed but I called my friend at Shannon Funeral Home & found out it was only \$560. I'm so sorry this happened mum. I never wanted you to be alone. I'm so sorry your daughter screamed in your face 2x and made your face so wet from your tears. I wish you could've lived with me. I'm so happy i talked with you everyday & sometime 3x a day. You told me you didn't know how much longer you could hold on. I knew it was time for me to get up there & am very happy I got to spend the last days with you. All your friends and neighbors seemed very distant at your funeral towards me but didn't know the whole story of your daughter not wanting you here because all she thought about was money. All I thought about was you! There is never a day that goes by that I cry & miss our phone calls. I did everything possible for you mum <3 i love you more than words can express. You'll always be my sweet mother! I love & miss you!
