“ I took care of Pat at Amberwoods for 2 years we grew an amazing bond. There are so many good memories of her. I would write a whole book if I posted them all, but I would have to say my favorite memory was the night I walking into her room and her bathroom was flooded. She was doing laundry in her sink but was so interested in watching dancing with the starts that she went back into her room while the sink was filling and forgot she had started the water till I walked in and yelled "Patricia what the heck are you doing" scared the daylight out of her. lol I went to see her on Friday and she still laughed with me about that incident. Pat was and still is very special to me. My prayers go out to her children. Your mom was a great person and I'm so thankful I got to take care of her for so long and get to know her. For you , her children, I thank a million.
