*She initiated the monthly luncheons for her high school graduating class, Ramsay 1964. We all got to know her all over again, month by month, looking forward to her smiling face and pleasant disposition. Some of our group got involved with Food Bank at her urging; we admired her giving back to the community. She will be greatly missed. God Bless her family. Cindy, she adored you !*

“ My memory of Pat was how she and her cousin Janet and I walked to school together most every day. Then when her and I were newly married and had our boys we would visit each other and the boys would play. Buck and I send our most sincere sympathies to Lee, Timmy and family. RIP Pat

“ Pat was such a good soul. She cared about her neighbors and provided leadership along with her friend Marie Frena at one of the best food pantries in the county. Her positive attitude will be missed. She made many friends and always tried her best to make clients feel welcomed. She showed her appreciation to volunteers at the pantry, too, and nominated many to receive awards over the years. Heaven now has another angel. Condolences to all her family and friends. We were blessed to have as long as we did.
