“ *A long ago memory- Paul and I were toddlers, maybe about 3 yrs old- his family lived on first floor- mine on 2nd - on Jucunda St (when it was a nice family neighborhood) in a house converted into 3 apartments- we would sit in the first floor hallway and “read” books. Sometimes his mom (my aunt Anne) would get annoyed with me when I showed up at dinner time Paul wanted to “read” instead of eat . Save me a place, Paul, where we can sit together and “read” once again if it’s ok with your mom. Love from cousin Charlotte 🐱*

“ *Paul took me fishing for my first time when I was 5 years old. Was such a sweet man. Always a kind word and a smile.*

“ Although living multiple places and life situations I was not as close to daily life with Paul and Linda as I would have liked, but all my memories of big family events with Paul are so very sweet because he always had a smile and good conversation. I have a really fond memory at his mom's house growing up with that circle route around the kitchen, dining, and living area. Perfect for tag! Can't imagine Aunt Ann allowing us do that but she did! a Such an easy family to love. My house did no have that circle run and it was so much fun! My deepest sympathy and prayers to Linda and family.
