

Phillip Warner

May 16, 1966 - February 3, 2021

Phillip G. Warner

Of Butler, passed away unexpectedly on February 3, 2021 at his home.

He was born in Erie on May 16, 1966, the son of Gerald and Joan (Sealy) Warner. He graduated from McDowell High School in 1984 and Edinboro University of Pennsylvania in 1988. He worked in the IT field for many years at ATandT and Lucent Technologies in Columbus, Ohio before moving back to Erie. Phil enjoyed playing football, hiking, biking, swimming, and working out at the YMCA. He was an avid reader and movie buff. His love of motorcycles started when he was five years old and rode a Rupp mini-bike in the woods behind his house on Tamarack Drive. Phil loved entertaining people with funny stories of his brothers and daredevil stories of his childhood, and he never failed to make people laugh. He lit up the room with his smiles and was always there when a family member or friend was going through an emotional time. He truly gave the best hugs. His greatest accomplishment was his wonderful children. He taught them how to ice skate, ride a bike, and play frisbee golf, and he helped them learn to drive. He never failed to tell them he was proud of them for their accomplishments.

In addition to his parents, he is survived by his son, Dr. Zachary P. Warner (Colleen) of Colorado Springs; his daughter, Savannah K. Warner of

Columbus; and his step-daughter, Sarah E. Zies (Dustin) of Beaverton, Oregon. He is also survived by brothers, Kirk Warner (Christy) of Erie and Mark Warner (Beth) of Columbus; nieces, Chelsea, Ashley, Jorja, and Alyssa Warner; nephew, Brayden Warner; uncles, aunts, and many cousins.

A Celebration of Life was held for the immediate family. Memorials may be made to Gaudenzia Erie, 2005 W 8th St. Erie, PA 16505.

“ Phil was a friend in high school. I admired how he navigated the challenges of that time. He always seemed to be a strong, calm presence despite emotional twists and turns of those around him. He seemed to instinctively recognize those students who struggled and were in a disadvantaged position. He was quick to step in. And did so with his signature smile. Enough so, that whatever bad was about to happen, suddenly didn't. He was that guy. And, my love of motorcycles, in part, comes from our conversations. Man he knew bikes. And, we share the memory of being chased by the Millcreek Police back in the day. I wish peace to his nuclear and extended family. Please know that Phil touched many on his journey and his actions impacted many in a very positive way. --Lee Milligan, Medford, Oregon.

“ *Mr & Mrs Warner & family-
I am so sorry to hear of your loss. I had run into Phil several years back when he was doing some substitute teaching at the school where I work. We had a great time reminiscing about Tamarack Dr and our families. I pray for peace and comfort for your family during this difficult time.*

Love, Jennifer (Kennedy) Fisher & family

“ *I just wanted to send my condolences to all of Phil's family and friends for their loss. I went to Mcdowell with him. I remember how kind he was, not just to me but to everyone around him. He will always be remembered as a wonderful person but never forgotten. You are all in my prayers.*
