“ My dad has touched the lives of so many people, and, as I have read in another post and agree, was truly a kind hearted soul. His heart was big and very deep with feelings for all.

Dad has a big history -- let everyone remember the best of him, and the feelings of being in his company. Might not remember all the words spoken, or things done, but all will remember the way he made you feel, his compassion for everyone he met and crossed paths was real, and he would make sure you felt it.

To my mom, Karen, my dad's legacy began with us. You have the history all the way back to high school and college and starting new lives together. Let's remember all of the extended family times.

To my first step-mom, Sandy, with you and dad, I've got a wonderful brother, Shaun, sister-in-law Jessica, and beautiful nieces, Alexis, Jordyn and Ryley. We've enjoyed many years of holidays and visits, and to your parents, sisters and brother, I have very fond memories and feelings of closeness with our gatherings. So happy our togetherness continues.

To my step-mom, Gloria, and brother, Ross. We share condolences and I'm sorry for your loss. Let's remember the fond memories and good times, and continue that path going forward. You, Ross, your mom and sisters all have deep hearts and have been dad's loving family, for that I am grateful.

So, love to you dad, you leave behind a great legacy, your children,

*Renee McCamey Obrin
Shaun McCamey
Ross McCamey*

And your grandchildren,

*Alexis McCamey

“ Randy was an excellent lawyer and a very intelligent man. Remember all the good times we had when Randy, Gloria and Ross came to our family gatherings. God bless and uphold Gloria and Ross through this sad time. You have Dave and my deepest sympathy. Love, Valerie and David.

“ I met Randy at Bobs Garage. I introduced him to Gloria. If you knew Randy, he really was a kind hearted soul. Always trying to help people especially if it pertained to the law. He was a damn good lawyer! A memory my husband Paul and I have is playing Uno to wee hours in the morning because it took Randy so long to make a decision what card to throw . He was so anal , not wanting to make the incorrect move .. we would say “Randy, it’s just a game. Throw a dang card”. He had us in stitches with every turn . Or the night at seven springs he stayed up all night to watch “ Forest Gump” because we had pay preview. We all fell asleep only to find Randy still up in the morning . His comment to us was “ f forest grump! Lol. Paul golfed with him a few times, he played golf like he played uno!! He will be surely missed. Love you Randy
Always. Paul and Amy
