

Raymond A. Fetty

March 3, 1940 - April 30, 2021

Raymond A. "Ray" Fetty

Age 81, of Utica, born March 3, 1940, passed away on April 30, 2021.

He was the former husband of Cassandra A. Ward, remaining friends through their lives; loving father of Cassandra "Cassie" (Danny) Bryan; grandfather of 1, great-grandfather of one; brother of Joyce Pitts, Linda Yost and the late Larry Fetty; and a son of the late Lawrence W. Fetty and Mary E. Gladwell Fetty. Also survived by numerous nieces, nephews and extended family.

Ray was an avid rescuer of all 4 legged friends, always having food and bedding available. He was always ready for a hand of poker or a good western. He could often be found listening to western or folk music. It was a safe bet Dr. Hook, Jim Croce and George Jones would be blasting on his CD player.

In 1956, Ray served in the Marine Corps and then transferred to the Army in November of 1959. He served multiple tours during the Vietnam War and was honorably discharged, retiring with the rank of Master Sergeant in February of 1980 with numerous medals.

Ray also served as a kiddie boxing trainer while in the military. He was a

Mason 32 of the Scottish Rite, issued by the Panama Canal Consistory in the Valley of Balboa, Panama in 1974. Ray had many storied of the places he had been, but never what he had done. He was a very giving man and a wonderful jokester. Most importantly, he was an excellent father. He will be missed by many, including his 4 legged friends, especially by his #1 grand-cat, Baby Batt. He will remain in our hearts, always.

Per Ray's wishes, there will be no visitation. Interment will take place at 1pm on Thursday May 20, 2021 in the National Cemetery of the Alleghenies, 1158 Morgan Road, Bridgeville, PA 15017.

Memorial donations are suggested to the Humane Society, www.wpahumane.org, or an animal rescue of your choice.

“ Daddy,I just still can't believe it.It is so silent,so gloomy . Nothing is the same at the house anymore,it's like one big fog I'm in.I wish Thursday wouldn't come.I know you suffer No more,and that's the only thing I'm greatful for,but I would of did Anything to take your place.To watch what you went thru was so heartbreaking,I would of endured any amount of pain for a life time to have made you better.I will Love you Forever and hold you close till I see you once again.Cant wait to here you voice again,and have you lecturing me about life.I love and miss ya daddy..

“ Cassie , I'm so sorry for your loss. I always remember staying at your house and your mom and dad taking me on vacation with them. They treated me like I was a part of the family, although I think I spent more time at your house then. One. Me and you were like sisters. If you need anything just ask.
