

Richard L. Falchetti

April 28, 1928 - July 17, 2018

Richard "Rocky" Falchetti

Passed away peacefully on July 17, 2018 at age 90.

He was born on April 28, 1928 to Charles and Mary and resided in the Duquesne/West Mifflin area until he moved to Allison Park in 2005. He married his lovely wife Louise in 1949 and they shared 60 years together. Upon Louise being diagnosed with Alzheimer's, he provided the love and care needed to keep her at home. At a young age, Richard learned masonry skills from his father, which he applied throughout his working life. He proudly served his nation in the US Army as a combat engineer during the Korean Conflict where he received a bronze star. After leaving the Army, he worked for the Union Railroad for 10 years. His desire to help people compelled him to join the City of Duquesne Police Department, where he served for 25 years until his retirement. He was past president of the Prince Humbert Italian Club and a member of the Fraternal Order of Police. His enjoyments in life centered on helping family members and friends, fishing, gardening, and cooking.

Richard was preceded in death by his wife Louise, son Richard "Ricky", brothers Theodore and Charles, and his sisters Lorraine and Geraldine. He is survived by his sisters Frances and Juanita, sons Mark (Rosemarie), Byron, Keith (Mary Anne), daughter Carmela, and granddaughters Anziana, Julia,

Maria, Alyssa, Liana, Brittanie, Paige, and his great-granddaughters Hailey and Natalie.

A word to describe "good old grand pap" was nice. It was our honor and privilege to help our dad in his twilight years. Special thanks to all his caregivers and AHN Hospice@Home for their expertise, kindness and compassion. Also, thanks to friends and neighbors who were so generous for many years, doing so many things that made a big difference.

There will be no visitation and burial is private. A memorial celebration event to honor his life will be announced in the near future.
