“ *Bobie and I did not get along as we should have, I know we tried. I will miss him very much though, he was one of a kind. We would see each other at family gatherings, which wasn't enough, but it was the best we could do, I am sorry to say.  
I'll miss you and knowing you are not there any longer saddens my heart.  
All my love to you and I know you will put on a great show for those around you.*
