

## Robert Edward Korzon

June 5, 1939 - January 15, 2022

Robert "Bob" E. Korzon born June 5, 1939 to Frank and Jane (Grabowski) Korzun is rejoined with his loving wife, Barbara J. Korzon. He died surrounded by family on January 15, 2022 at Butler Memorial Hospital. He left behind his children Patrick (Lisa) Korzon and Pamela (Paul) Zangardi and his grandchildren Nick and Robbie Korzon and Emily and Anna Zangardi who were his pride and joy. His kind spirit will live through them. Bob is preceded in death his parents and brother, Frank Korzun.

After graduation from high school in 1957, he proudly served his country in the U.S. Army as a Paratrooper and Military Policeman in the 82nd Airborne at Ft Bragg, NC. He liked to say that he used to jump out of airplanes for no good reason. He returned to New Kensington where he worked as a coal miner in many local coal mines.

His hobbies included throwing darts, playing cards and bowling. He also was a first round pitcher and member of the Hall of Fame for Butler County Horseshoe League and won many state and national championships.

He was proud of his Polish heritage and was a member of the Polish Falcons in New Kensington where he served as a trustee on the board. He was also a lifetime member of the 7th Street Sportsman's Club.

He truly touched the lives of all he met. Whether it be driving any distance to pick his grandsons so that they didn't have to walk 5 minutes to school or dropping off food from the club after closing to the staff at the local Get Go. He will be deeply missed by all. He is gone but will not be forgotten.

Per Bob's request, there will be no viewing or service.

“ *Really enjoyed knowing Bob through the Butler County Horseshoe League.

“ *I remember the first day you guys moved into your house on Rachel Street. Barb told me that one of the first things she remembers about me was when I came over and told your family when garbage day was! (Always good to be remembered in the same vein as garbage!) I remember all of the backyard picnics at Bill and Tootie's house and all the times we went swimming in our pool. Your family will always be happily remembered in my thoughts! Bob was always around, even when they lived in Lower Burrel), and always was friendly and considerate to me. I know so many stories about the grand kids and how they lived to be there for you guys. Love you all.*

*Bob was a great guy. A few years after meeting him I had the chance to work for him (once in awhile) at the Harmar Coal mine. Great guy to hang with on weekends too. All of us younger guys loved Bob and Barb, and their neighbors the Mitchell's. Godspeed Bob, until we meet again!*
