

Robert M. Noschese

March 22, 1950 - February 17, 2020

Robert Martin Noschese

Robert Martin Noschese took his last breath the morning of Monday, February 17, 2020, after fighting a strong and courageous battle with pancreatic cancer for well over a year.

A loving and devoted father, grandfather, brother, son and companion to his girlfriend of 20 years, he was a skilled cabinet maker with a passion and gift for creating beautiful masterpieces. He also worked for several years at the Western Pennsylvania School for the Deaf as their top maintenance man where staff and students alike fondly remember him as "Bup Bup" and refer to his office as "Bup Bup's Workshop". It is evident that Robert was loved by many by the stories told about him and if one ever had the opportunity to meet him or hear his contagious and unique laugh, you would immediately know why. Robert, or "Bob" as friends would call him or "Martin/Marty" by family, was really famous for his iconic cigar and his easy going personality. He will be greatly missed.

A private memorial is planned and we understand many are asking how to pay their respects. The family is asking that in lieu of flowers and gifts that a donation in his honor be made to Western Pennsylvania School for the Deaf, www.wpsd.org. Choose donate then choose Western Pennsylvania School for

the Deaf (in comments you may add that your donation is in honor of Robert Noschese, if you like), Or you may send your donation to: WPSD: 300 East Swissvale Avenue, Pittsburgh, PA 15218

“ *My deepest condolences to you and your family with love. I loved Bob like a father to me. My favorite memory was to cut/trim his hair and beard in his basement. He kept giggling at my jokes. He will be deeply missed by everyone and me. ❤️*
