“ *I was thinking of your dad yesterday. I was walking and his smiling face came to me and I thought of all the miles he and my dad walked together over the years. So, I checked the internet and found he was gone. He was dad's best friend at Steel and probably the best friend of his adult life. I did try to keep in touch until Dad passed but I was not as good as I should have been. The two Bob's had so many adventures. In their dark suits, checking for things on their lunch hour. Pantyhose for the girls, electronics for the boys. We had so many wonderful Thanksgivings together. It was a blessing having your family be part of our family. Other than my own dad, I never saw a man so devoted to his family. He loved you all so much. As do I. Take care. Kathy Knox Fein*

Bob always made Dave and I walk from the Big Isaly's plant on the blvd.alot of good conversation and many laughs.  
Not all people make a last impression in life but BOB certainly did with me.
