“ Mrs K... I'm beyond shocked to hear about this. A loss for words. I've known you for 30 years of my life. You were my 2nd mother. Hell you were everyone's second mother for all us boys in Alpine. All the times we put you through hell you gave us hell right back. Didn't take no ones crap and stood up for the people you loved and cared about and it showed everyday. There's decades worth of memories I'll keep of you inside my heart along side my father. Please tell him I said hello and that I'll see him soon. And be the best guardian angel for your family.
Rest In Peace Mamma K
Tell Mike I said hello as well.... I'm gonna miss you.
