“ We called her Granny ! Love this woman she always knew how to give you peace. She gave it to me so much in my time with her . She came to my thoughts tonight in this crazy world . It's all about your dash they say . From the time you arrive to the time you leave Granny showed me and God him self tells you to make your peace. With her soul I got peace and will always remember her for what she did for me 🍷

“ Rose Marie has been a family friend and neighbor for over 50 years. The Seminora family loved her dearly. A tireless friend and confidant, she always stood on the side of fairness and was always kind and loving. A light hearted spirit, prone to laughter and lively conversations, and filled with boundless energy, it was Rose Marie that was always there for you when you called on her. She is greatly missed.

“ Aunt RoseMarie has a special place in my heart. She was always there for me my whole life. She was the best Godmother, Aunt that anyone could ask for. I loved her so much, just as though she was my Mom. Words cannot express how I feel. She was a special Lady for sure in so many lives. Her legacy will live on. I wish that we could be there.  
Love,  
Cathy Jo
