

Rose Marie DeStout

September 14, 1930 - February 19, 2022

Rose Marie DeStout, nee Castelli, born September 14, 1930 to Luigi and Chiarina Castelli, passed in the early morning of February 19, 2022.

Rose was raised in a tight knit Italian family and passed along those traditions and values throughout her life. She spoke fondly of her time at Divine Providence Academy and treasured the friendships made there. She married at 18 (to someone she always referred to as "her big mistake") and raised 5 children on her own. Fiercely independent and armed with only a highschool education, she began her career as a secretary and climbed her way up to Director of Patient Accounts at Forbes Health System, working tirelessly to provide for her children. But her true calling was as a mother. She loved her children unconditionally. She was generous and smart and opinionated to the end. She will be remembered for her amazing sauce, her famous apple pie and the never ending demand she gave of "have something to eat!".

We will remember her every time we see a rose in bloom, fill a ravioli, or roll out a rope of gnocchi. Please toast to Rose as well as your own mother tonight with a generous glass of wine in her memory.

Rose leaves behind children James (Lynne), Louis (Annie), Daniel, Linda (Mike), and Steven DeStout, 8 grandchildren and 6 great grandchildren.

There will be a memorial mass at 10:00 a.m., Saturday March 5, 2022 at St. Joseph's church on Dorseyville Rd. in O'Hara Township.

“ Our condolences to all of the DeStout family. Rose was the perfect Italian mother to all of us and I sure treasure and miss those times in her kitchen sampling all the delicacies like the cold pizza. She is in God's presence now - John & Tish Harford
