“ *We will miss Sandy. She was a great Christian lady. I remember being on the phone with her several time for the prayer chain. She prayed with me several times and I will always remember that and appreciate it. Her love for people and her Lord was strong. May she be singing in Heaven right now.*

“ With great sadness we offer our deepest sympathy in the loss of our very dear friend Sandy. She was a very special lady who was a loving & caring soul. No matter how she felt or what she was going through, she was always there for us, listening, praying, offering her support & love. Our hearts are heavy with the loss but it's heaven's gain & we look forward to seeing her again & being reunited with our angel. We loved her more than words can say, we will miss her dearly.
