SANDRA (SANDY) MULLINS

Age 81, of Cranberry Township, died peacefully in the care of Wexford House Hospice on Sunday, October 6, 2024. Daughter of the late John and Edna Halli; sister of the late Carol Halli Klingenberg; and of Janet Halli Smith of Flint, MI. Sandra was a lovingly devoted mother of Jennifer (Mark) Tarle of Apollo, PA and Dr. Matthew Mullins, his fiancée Mindi Lowry, and her children Cameron and Landyn of Lititz PA. She was a joyful and doting aunt to many nieces and nephews and grands. Also, a 1961 graduate of Rochester High School. She worked until her retirement from North Pittsburgh Telephone Company in 2006. After her retirement, she continued to work part time at Michael's Crafts and volunteered her time with Holy Family Institute. She was a member of St. Ferdinand Catholic Church, then St Killian Parish in Cranberry Township where she served as Eucharistic Minister and sang with the Choir for over 40 years. Sandy adored spending time in the company of her multiple close friends with whom she played Bunko, went on bus trips, enjoyed Sunday brunches, and traveled the world. Every destination was a new adventure for her, she lived life fully and on her terms. At her request there will be no viewing. She will be interred at Holy Savior Catholic Cemetery in Valencia PA in a private graveside service. A larger Catholic memorial service and gathering will be planned for a future date. If anyone wishes to honor her memory, she asks only that you remember the good times shared, laugh with one another, and enjoy the sunshine.

“ *Sandy you are now at peace with the world.
We had a lot of fun in high school. Sandy will be missed by family
and by classmates of 1961*

“ *Dear Matt and Jen
My sympathy to you both and the family. Sandy and I became
friends while singing in the choir
we had alot of fun especially on our casino trips.
You are now resting in the arms of Jesue. Amen*

“ *Sandy, thank you for being my dear and loving friend for so many
years. We shared so many good times together, sitting next to each
other in St. Kilian's choir, going to River City Brass Band shows,
playing bingo and going to the casinos. God saw you were getting
tired and He took you into His loving arms. Girlfriend, if I know you,
you're already parties up in heaven. I love you.*

“ Dear Jen, Matt and family, we have so many wonderful memories of your mom and both of you through our lives. She was a strong, beautiful, loving person and will be so sorely missed. She brought laughter to whatever we would do, especially our Las Vegas trips! RIP Sandy...a peace so deserved. The Belonzi family loves you dear friend.

“ Sandy was a wonderful and faithful choir member of Saint Kilian Parish. I had the pleasure of directing her and the choir for many years. We had great choir parties and trips she helped organize. And she was a great help with our Wednesday Fellowship meals, too. I will miss her dearly. God Bless you Sandy.

Sandy was one of the original members of the St. Kilian baking ministry. Her decadently delicious brownie recipe is still part of our rotating recipe selections. She was a wonderful woman with a great heart. Rest in peace, dear lady.

“ Sandy came to Rochester high in her senior year. We had several classes together and became good friends. Sandy was the only one in our group that drove and was able to use her dad's car. We put some miles on his car even though she was only allowed to come to my house. She attended our class reunions and our monthly luncheons. We will miss her.
