Sandra Louise (Risch) Nugent

June 29, 1940 - April 1, 2025

Ross Township

An only child, Sandy was born in Whitehall Borough to her parents, the late Clifford and Ruth (Frazier) Risch. Sandy was preceded in death by her husband of not quite 4 years, Daniel Allen Nugent (dod: 4.18.1963), who was taken much too soon. As a single parent of three, Sandy and the children moved into the maternal grandparent's home, where they were surrounded by both a loving mother and generous and kind grandparents.

Sandy shared unwavering devotion to her three children Daniel Jr. (Diane), Michael (Darby) and Beverly (Brian). She is also survived by grandchildren Chelsea (Michael), John, Craig (Ali), Luke, Alaina (Cameron) and five great grandchildren with another on the way.

During those early years of raising her family, Sandy worked within the Baldwin-Whitehall School District as a classroom aide and then as the children grew, she took a front desk position in the Out Patient Registry of South Side Hospital until retirement. Moving from Whitehall to Jefferson Hills and then to the North Hills to be near family, Sandy enjoyed the friendship of so many neighbors who became dear to her.

There will be no viewing or funeral service. A private burial attended by the family will be held at a later date where she will be laid to rest beside her beloved husband.
