“ *Sharan was a good friend. She’s one on the few friends who have come down here to Florida to visit me. She even came down twice. She was a real character! She had quite a sense of humor and was so much fun to be around. I’ve missed her for the last couple of years and I will miss her forever* 🥹🥹

“ *I worked with Sharan in Sewickley for a number of years. When I first started, I came in knowing nothing but thinking I knew everything. When it got tough in the office and everyone seemed to be against me, it was Sharan who took me "under her wing" and made sure I stayed on track. 20 years later I'm still there and looking forward to retirement. I couldn't have made it this far without her guidance. Thank u for everything. God speed...*

“ *Sharan was one of a kind. The way her face lit up when she saw me come into a room is unforgettable. I will always cherish our time spent together. She gave the best hugs and truly was a kind person! I will miss her from the bottom of my heart.* ”
