“ I will forever be grateful to Shelly for helping me through some of the hardest times of my life. She was always there to help reassure me and relieve my panic attacks. She never got upset or annoyed with me. She never made me feel stupid for the worries I had. I also will never forget how she reassured my mom (and myself later on) when I was pregnant (11 years ago) and found out my son was going to have a birth defect. We all were so worried and she really helped us put things in perspective- she loved Logan from when he was born. My heart is broken, I am so sorry for her family's loss.
